

## Vejledning til engelsk test.

For at få en ide om Deres kendskab til engelsk med henblik på valg af et niveau, hvor De hverken finder stoffet for let eller vanskeligt, beder vi Dem om følgende:

- udfylde den vedlagte test uden hjælpemidler og uden at bruge for meget tid til de enkelte svar. De må gerne lade spørgsmål være ubesvarede, ligesom De gerne må gætte Dem til svarene.

- De må gerne på forhånd meddele, hvilket niveau De selv mener at høre til på.

Det udfyldte skema bedes afleveret til FOF-Gentofte, Ordrupvej 60, 2920 Charlottenlund. Testen er dog kun vejledende, men kan hjælpe til at De henvises til det rigtige hold. I tvivlsspørgsmål kan testen suppleres med en mundtlig prøve for at få en bedre opfattelse af Deres kundskaber.

Mener De, at opgaven generelt ligger under Deres niveau, bedes De anføre dette, og læreren vil da kontakte Dem med henblik på en mundtlig prøve.
